# WHAT YOUTH PASTORS SAY ABOUT MOMENTUM YOUTH CONFERENCE

Each year our students are challenged and their lives are changed at Momentum. The teaching draws them in and inspires them to follow Jesus with their whole hearts. The music is energizing while still providing the students with time to reflect and worship. Overall, there isn't a better youth conference I have attended and we are committed to bringing our students here because we believe it has an eternal impact on their lives.

- Cody Ray, York, PA

Momentum is a top tier conference. I have been to a lot of camps and conferences trying to find the right one to take my high school students to and Momentum is the best. It is evangelistic and simplistic enough to take unbelievers to, and is deep and challenging enough for your most mature students. And most importantly everything they do and every speaker on stage is grounded in the word of God. I never leave momentum disappointed.

- Tyler Kramer, Marysville, OH

Momentum has continued to impress me with its desire to help students take what they acquired back home. As a youth pastor you can not ask for more out of a conference. Momentum invests time and resources into our students for the 360 days that they are not at Momentum. They truly desire to help leaders and students grow in their relationship with Christ all year long.

- Jeremiah Kleylein, Lancaster, PA

I've been taking students to Momentum for 5 years and every year has almost doubled in size for registrations. Our students and leaders LOVE Momentum. Every student who has gone has not only wanted to come back the following year, but has done everything they can to bring their friends with them. It truly has been a life changing experience for our students and leaders year after year. In a recent student leadership team gathering we hosted in our home we had all the student leaders share their testimonies and almost every single student pointed out Momentum as having played a significant role in their relationship with God and calling to step up in kingdom leadership.

- Andrew Wood, Mississauga, Canada

Momentum has been a staple in my life for nearly 25 years, first as a student, then as a youth pastor, and in a few short years as a parent. Each year, regardless of my role at Momentum, I have been personally challenged to walk with Jesus and pursue Him more deeply. It has been a large contributor to the trajectory of my life through the many relationships that have been forged, the opportunities to serve, and the commitments I have made. These things aren't exclusive to me, many others have and can experience the same life change prompted by a week at Momentum Youth Conference.

- David Nicodemus, Worthington, OH

I would encourage parents, youth pastors, and students to consider Momentum Youth Conference because it's just awesome!! And because it is an experience like no other. Learning from speakers about following Jesus, then living out and discussing what you learn with youth leaders and friends while at the conference and back home after the conference is over.

- Greg Foote, Norton, OH

I encourage others to consider Momentum because of the strength of speakers, the engaging worship, and the growth that I see in our students each year. We have not gone a single year without a student accepting Jesus or making a major commitment to follow Jesus with their life.
