

ON PURPOSE FOR A PURPOSE

HOW HAS GOD UNIQUELY DESIGNED YOU AND FOR WHAT REASON?

Series Summary: *On Purpose For A Purpose* is a series designed to help students discover who God has uniquely made them to be. We as humans are the only thing in existence that bears the image of God which is what gives every person that God creates value and purpose. God has uniquely designed each one of us to bring Him glory and we believe that it is in high school that students really start to explore and discover who they are. We want to help students along in this process and give them some tools to guide them and give language to how God has uniquely created and gifted each one of them. We are going to be looking at spiritual gifts, using some personality tests, looking at experiences and talents students have, and helping them figure out what they are passionate about as they piece together who they are in Christ.
