- New Curriculum explanation
- TOD Talk explanation

## RELATIONSHIP SERIES OVERVIEW

**Series Summary:** We are created to be in relation with the people around us. Whether or not they are a Christ follower, we must learn how to navigate those relationships. Friendships are one type of relationship that we interact with regularly in our culture. When we look at these relationships, we want to draw out the importance of what Scripture says and how we can live out a Godly life through these.

### Main Ideas:

- Original Purpose (Gen.)
- Not meant to be alone
- Why are we discussing relationships?
  - o Relationships impact everything: a person's past, future, dating, sexuality friendships, etc. They are central to not only being a high schooler but to being human and made in the image of God
  - o Want students to have a biblical understanding of relationships
  - o They are the things in life that bring you the most joy and the most pain
-
