Think on Such Things Activity

Read Philippians 4:8-9

On your own fill in the blanks with things that would fall in. The goal is that putting things on this list we would focus on the good things in our life and in turn would draw closer to God because of it!

What are true things in your life? (ex. friendship)

What are noble/right things in your life? Another way to ask it is what are things that are worthy of respect in your life? (ex. Good influences. Good teachers/adults)

What are some pure, lovely, and good(admirable) things in your life? (ex. Having a job. Having access to a bible).

“Think about such things”.

Let’s do more than just think about them. Take a moment and thank God for all the things that you have written down.
