

Faith: Believing the Word of God and acting on it, no matter how I feel, because God promises a good result.

- Definition from the Bible: Hebrews 11:1
- Matthew 17:20
- Hebrews 11:6- What is it that pleases God?
- Galatians 2:16
- Galatians 3:26
- James 5:17-18
- 2 Chronicles 20:20
- Hebrews 11- Often referred to as the “Hall of Faith.” This chapter gives examples of regular people throughout the Bible who simply believed and obeyed God.
- Ephesians 2:8-9
- Colossians 1:4- the faith of the people in this town cause them to change the way they lived. Their faith was evident by their love for fellow believers
- James 2:14-26- How has your faith in Christ effected the way that you live your life? Can people tell that you have faith in God by the choices you make, the way you speak, and the way you live your life?
- 2 Peter 1:5-9- We need to be growing in our faith each day. Have you been adding these things to your faith each day?
- A great way to grow in your faith is to share with others what God has been doing in your life. How many spiritual conversations have you had this past week? Be sure to encourage other Christians with scripture and answered prayer requests.
- 1 Thessalonians 3:6-9- If a missionary were to come and observe your faith when you are at school or work, would he be able to write a good report about your faith? Would it resemble this report that Timothy gave back to Paul about the church in Thessalonica?
- 1 Peter 1:3-6
- James 1:6- When we pray we need to believe that God has the power to answer our requests.
