

Activist/ Caregiver

This is in one of the harder ones for me (summers when I was a kid)
Just spent a week at Urban Hope

Nehemiah 1:1-3

Nehemiah who is the cupbearer to the king is presented with a problem
His fellow Jews are in trouble and the wall of Jerusalem needs rebuilt

Nehemiah 1:4

When Nehemiah saw the need his heart broke
This is the heart of a caregiver

Nehemiah 1:5-11

Nehemiah prayed and prepared himself to serve
This avoids a big pitfall for caregivers

Nehemiah 2:1-8

Nehemiah used the influence God had given him to meet the need

Are you caring for people around you or are you just focused on yourself?

Colossians 3:12-14

Small Group Questions

How are you doing at seeing the needs around you?

What are some of the needs around you?

What influence and ability has God given you that you can use to help others?

Is there a specific person you can be caring for today?
