

## Awe

We are supposed to worship God but what does that even mean or look like?

What is worship?

-honoring, elevating, praising

\*We want to celebrate and make much of Jesus

How do we worship Jesus?

-There is a wrong way to worship

Isaiah 29:13

-they were doing stuff and following the rules but their heart wasn't really in it

Malachi 1:10

-they are just going through the motions and not even offering the sacrifices correctly

-God says they might as well stay home

\*worship is not about a task to be accomplished

Romans 12:1

-it is a way of life

1) Your heart has to be into it

What is the right way to worship?

John 4:23-24

-in spirit and truth

2) Truth

-this goes back to last week, we need to be continuing to learn about God

3) Spirit
